# About us

Focus Data Solutions is an award winning, woman and veteran owned IT Managed Service provider located in Old Town Alexandria. For over two decades, we have combined proactive IT Management, 24/7 Help Desk Support, and IT Strategy to help clients in Washington DC, Maryland, and Virginia navigate today's technologies and tomorrow's opportunities.

Having a local, responsive partner is an asset that can't be undervalued. True to our roots, 100% of our staff live in the DMV.
